

Game-changing tools to help build your business, at no extra cost for you, just for being part of CENTURY 21®.

Generate Leads

All state-of-the-art C21 websites are fully customizable to reach your target market. Each property page has unique neighbourhood information, provided by Local Logic, boosting your SEO strategy. Our "Neighbourhood News" component allows a client to subscribe to receive automated market updates for their community, and you don't have to lift a finger!

Build Your Referral Network

Set and track your goals – then build and nurture your SOI to help you achieve them. C21Engage is integrated with your Google Workplace contacts and recommends activities based on where clients are in the sales cycle. We've also created automated email campaigns and one-to-one branded content that you can personalize, making it your own.

Win More Listings

C21Present helps you provide engaging, interactive, up-to-date information to your clients. You can use branded templates and include video and other rich media right into your presentations. In addition, your electronic presentations always have up-to-the-minute MLS data providing accurate information for your clients.

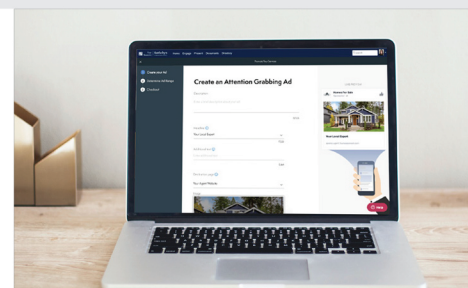

Get to Market Faster

Email, print and marketing pieces delivered directly to you – automatically updated for the life of the listing. With the C21 Marketing Centre, you can choose from a huge library of marketing materials that are fully customizable and integrated with your MLS® and your contacts in C21Engage.

Attract Listing Leads

C21Promote helps you advertise your C21 listings or your real estate services directly to Facebook, Instagram or other Facebook related networks. It is fully integrated into your HUB21 account so you can drive traffic to your website or your listings.
