

# C21 Present

Win more business by exceeding your client's expectations.

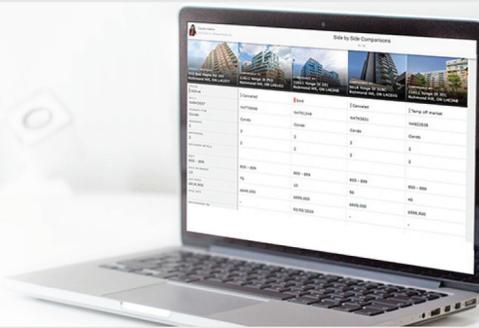

## Deliver WOW presentations

C21Present is a feature-rich, versatile presentation builder to create extraordinary client experiences. C21 REALTORS® can pick and choose from a library of customizable templates including pre-listing, listing, and buyer presentations, available for viewing on any device. There are endless creative opportunities.

## Build trust with your clients

C21Present allows you to build a comprehensive CMA report in less than 10 minutes. It automatically updates using live MLS data, real-time INRIX traffic information and embedded web content. This unique client presentation tool gives you the opportunity to provide pricing guidance and allows you to add unique remarks and adjustments.

## Always be ready to adapt

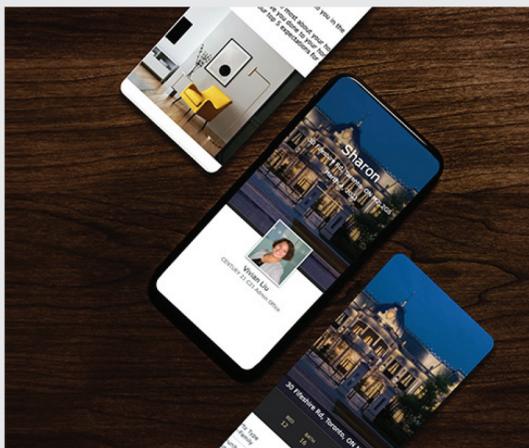

During a client presentation, you will have the opportunity to edit the report on-the-fly, adding in specialized details that your client wants to consider. You can adjust value, include non-MLS comps, and help guide clients on accurate market analysis and pricing without breaking a sweat! Imagine having the ability to customize your presentation during your conversation and making a great impression!

## Create memorable experiences

Take your clients on an incredible journey – from virtual open houses, consultation appointments, relocation guides, newsletters, market updates and more!

- Create an interactive buyer's tour allowing your client to add commentary, view commute times and the best route to visit each property.
- Embed 3D tours, videos and even entire website pages to creating immersive experiences.
- Inspire new prospects with information, videos and slideshows about local communities.
